Dried by Cold Wind Salmon Sake Flakes

200g / JPY 1,296

This product is made from selected autumn salmon in Hokkaido.
All spawn and innards are removed without damaging the fish meat itself,
subtle amount of salt is added to each fish to extract the full flavor of the salmon.

Pacific Oysters in Olive Oil

50g / JPY 756

This is a product prepared by seasoning, air-drying, and smoking fresh
Hokkaido oysters with cherry tree wood chips at a constant temperature,
then marinating it in olive oil. It can be eaten alone or used as a topping for canape,
pasta, salad or pizza.
