Cheer up! Corn Potage with Grains

180g / JPY 324

This soup is made by using sweet corn from Kimobetsu Town and its surrounding areas.

The sweet taste is popular with all generations from children to senior citizens. Corn grains account for 20% of the soup's content. This thick corn potage is palatable, it can be served hot and cold.

Cheer up! Asparagus Potage

180g / JPY 324

This soup is made by using Hokkaido green asparagus only.

This creamy asparagus potage is very tasty, it can be served hot and cold. You can also use this soup as a sauce for meat or fish, or arrange it to create new dishes.

Pickled White Asparagus

170g / JPY 702

This product is made by using fresh Hokkaido white asparagus that is blended with quality apple vinegar and condiments.

It is cut into bite-size pieces with an elegant sweet-and-sour flavor.
