Job Title (Job Family)
Mountain bicycle facility reception, rentals, guides, instructors
Summaries of Duties and Responsibilities
You will help to enhance the mountain biking experience of our customers at the mountain biking facility for beginners. Because of the location, we have not only Japanese customers but also many international customers, which makes it a very diverse and fun place to work in. English is not required, but we are looking for someone who can interact with customers even if they don't speak the language fluently. No experience is necessary, as you will learn the skills for the job through training. However, we expect people who can serve customers and do the physical work outside.
